Features

26 The top 8 villains in video games
Yeah, sure, everyone’s always swooning over the heroes of our favourite video games. It’s all Mario this and Guybrush that – but they’d be nothing without the great villains we love to hate (or hate to love) giving them a reason to get out of bed in the morning.

30 StencylWorks: Game development studio in a box
Every gamer out there has thought about creating their own game at some point. We detail a development tool that might make it a whole lot easier to do.

50 Far Cry 3
Geoff stepped through a portal into the mystical land of Canada, fighting off pirates, mercenaries and vicious piranha poodles to bring you this feature on Far Cry 3.

56 From bedroom to boardroom
We look at the past, the present and the future of gaming’s most exciting and innovative playground: indie games.
